

50%

SAVINGS

ON AVERAGE

Reach New Heights with BrandSafway Rope Access

BrandSafway rope access teams allow you to safely and efficiently access heights and hard-to-reach areas. Experience shows an embedded multicraft rope access team can significantly reduce costs. Customers report an average savings of 50% on projects when using rope access, as compared to traditional access methods.

BRAND SAFWAY®

At Work For You™

Let Us Help You Reach Higher – Safely and Efficiently

SAFE

- › TRIR of 0.00
- › IRATA Member Company
- › Fewer at height exposure hours

QUICK

- › Reduce set up and dismantle times
- › Decrease downtime
- › Save time and costs

EFFECTIVE

- › Skilled multicraft teams
- › Access hard-to-reach areas
- › Minimal disruption due to smaller footprint

APPLICATIONS

Rope access is an ideal solution for much more than inspections. Let us show you the potential savings on any craft work at heights.
