At Work For You®

▶ OFFSHORE EXCELLENCE

Industry leading, products and services

Access Solutions

- › More than 100 years of scaffold and access experience
- › Broadest scaffolding portfolio in the industry
- › Greatest depth of expertise in engineering, safety training, labor and project management

QuikDeck® Suspended Access System

- › Provides factory-floor-like working conditions in the air
- › Allows activity to continue uninterrupted below
- › Engineered, patented design fits nearly any shape or size
- › High load capacities

Insulation & Industrial Coatings

- › Insulation and cladding/jacketing
- › Thermal spray applications
- › Off-site shop facilities
- › Weatherproofing metal jacketing
- › Chartek passive fire protection
- › Cathodic protection
- › Fabric maintenance

Fireproofing

- › Full range of applications and installation methods
- › Corrosion under fireproofing (CUF) management

Specialty Services

- › Abrasive blasting surface preparation
- › Software-driven computerized stud welding (14ga to 1" diameter)
- › NACE-trained and -certified inspectors
- › Asset management
- › UHP robotic & vacuum systems
- › Corrosion under insulation (CUI) programs

Proven Safety Record

- › Strong history & culture of prioritizing safety, with hundreds of safety awards annually from industry associations
